

Material Safety Data Sheet

Date Of Issue: 9.18.09

1. Identification of substance:

Product name: Aqua-Tite® Green

Name: MarChem CFI

Address: 500 Orchard Street, New Haven, MO 63068

Telephone: 573-237-4444

Emergency phone number: CHEMTREC (800) 424-9300

2. Hazards identification:

HEALTH HAZARDS: Caution! , Combustible liquid, provide ventilation while using this product. Use good hygiene practice.

Eyes: Mild transient irritation

Skin: Possible irritation

Inhalation: Nasal & respiratory irritation

Ingestion: Harmful if swallowed, possible discomfort, vomiting & diarrhea.

Seek medical attention for any effects due to inhalation and or ingestion.

HMIS Rating:1-2-0-B

Health-1; Fire-2; Reactivity-0; Personal Protection __Y__

3. Composition/Data on components:

Components

Hazardous Components

This product does not contain any ingredients subject to the reporting requirements of SARA 313, Title III,

Other Ingredients:

Isopropanol
CAS# 67-63-0

	%	THLV	TWA
	1-5%	400	400
	aqueous solution in water		

4. First aid measures:

General information: Use with adequate ventilation & institute good hygiene practice; avoid frequent or prolonged contact with skin & breathing of vapor or spray mist. Use eye goggles, gloves & proper face protection while handling this product. Wash hands thoroughly with soap & water.

After skin contact: Flush with water for 15 mins. Remove contaminated clothing; & launder the clothing before using again.

After eye contact: Flush with cold water for 15 mins.

After swallowing: Do not induce vomiting, call physician immediately.

After inhalation: provide good ventilation; remove personnel to fresh air; seek medical attention for any difficulty in breathing.

5. Fire fighting measures:

Flash Point: 125 deg F

Suitable extinguishing agents: Carbon dioxide-Foam, water.

Protective equipment: Wear a self-contained breathing unit & protective suits.

6. Spill or Leak Protection:

Steps to be taken in case the material is spilled or released:

Use protective clothing; dike the area with dry absorbent, ventilate area. Keep away from sewers and water system by diking. Prevent any unauthorized entry.

Waste Disposal Method: Collect the dry refuse in suitable container for disposal. Dispose in accordance with Federal or local regulations.

7. Handling and storage:

Information for safe handling: Caution! Combustible liquid. Use this product in well-ventilated area. Wear eye-goggles and gloves while handling this product; follow good general hygiene practice.

Storage: Store in cool, dry place; away from heat or open flame. Close the container after use.

8. Exposure controls and personal protection:

Personal protective equipment: Wear safety glass/eye goggles and gloves.

General protective and hygienic measures: use this product with good ventilation; wear protective clothing to minimize any skin contact. Follow good hygiene practices. Wash hands & any skin contact with soap & water. Remove contaminated clothing,

launder before use.

Respiratory protection: Good ventilation is required while using this product. Wear respirator in confined areas with organic vapor cartridge.

Protection of hands: Use chemical resistant, impervious gloves.

Eye protection: Wear protective glass/eye-goggles or face-shield

Body protection: Appropriate protective clothing to minimize contact or reduce exposure.

9. Physical Data:

Form: Milky off-white translucent liquid

Color: Off-white

Odor: mild odor

Flash point: 125 deg F

Specific Gravity: 1.014

Vapor Pressure (air =1): N/E

10. Stability and reactivity

Stability: Stable ; unstable

Hazardous polymerization will not occur.

Thermal decomposition products: oxides of carbon

11. Toxicological information:

Eyes: may cause eye irritation

Skin: may cause mild skin irritation

Inhalation: may cause respiratory irritation or disorder

Ingestion: Avoid ingestion; harmful if swallowed; seek medical attention.

12. Ecological Information:

General Information: When correct disposal procedures are used no adverse effects are expected.

13. Disposal Considerations

Recommendation: Observe local requirements; dispose off in accordance with federal, state & environmental regulations.

14. Transport Information

Transport / Additional information

Combustible: Store in cool & dry place. Avoid extreme heat

15. Regulatory information:

Section 313 Supplier Notifications

This product does not contain any toxic chemical subject to the reporting requirements of SARA 313 title III Emergency Planning and Community Right To Know Act of 1986 and of 40 CFR 372:

16. Other information:

The information & the recommendations set forth is believed to be accurate as of this date; however, it shall not constitute a guarantee for any specific product features, suitability or accuracy; the user should use due diligence and evaluate the product on their own regarding specific end use. MarChem CFI makes no warranties either expressed or implied & disclaims all liability; no warranties of any type either expressed or implied are provided.
