# ODYSSEY III™

Odyssey III is an acrylic coated 100% woven polyester fabric (300 denier) with a clear back coat. It is characterized by excellent strength, durability, tear and abrasion resistance, dimensional stability, & UV and mildew resistance. Odyssey III is a light weight fabric that provides long lasting durability without the higher cost and weight of heavier fabrics. Odyssey III can be used for outdoor applications such as marine tops, trailer covers, gazebos, canopies, tarps, playground equipment covers, BBQ grill covers, patio furniture covers, stools, cots, luggage, bags, and many other useful applications. Odyssey I (water permeable) and Odyssey IV (water repellent) are flame retardant versions that are also available.

*Odyssey, great value at a great price.*
